

DAZZLE MAKE IT SPARKLE

BE NOTICED, MAKE IT SPARKLE, SHIMMER AND SHINE! HELP YOUR CUSTOMER'S LOGO OR MESSAGE STAND OUT AMONG THE REST!

[HOW IT WORKS]

Submit your art and ask to have it printed with dazzle. Dazzle is a faceted metallic imprint that catches the light and reflects it back as a dazzling sparkle. Make your metallic imprint stand out and be noticed!

[APPLICATIONS]

Great for:

- Law Enforcement/Police/Fire Badges
- Sports Teams
- Colleges and Universities
- Awards, Parties or Fun events
- Store Openings, Fund Raisers
- Anniversary in Business
- Rock n Roll Merchandise

[THINGS TO KNOW]

• Dazzle is available in gold, silver, copper metallic and more, just ask. It can be added to most ceramic, glass, stainless steel or aluminum items.

• Dazzle can be added to spot color, full color, or precious metal imprints.

• Please note: Dazzle can be microwaved and occasionally run through a residential dishwasher, but please handwash for maximum durability
